

Master Schedule

General Info:

- We're staying at the Hilltop Campus. This is not the only one campus there. If you get lost, this is what you need to ask for.
- No guns, cold armory or else is allowed at the camp, even if you have a license. No drugs, even recreational drugs are allowed in the common area. You will be asked to leave the camp immediately with you family, and no refund will be made.
- Pool is open until dark. Children may join only when accompanied by an adult. Consider it a hotel option – no Lifeguard on duty most of the time, and the host is not responsible for your safety. Jookender is not responsible either. There are no shower cabins near the pool. And, you need to bring your own towel. Although, there are some hours where our Teens will be lifeguarding the groups.
- Sauna will be placed somewhat nearby the pool. Sauna is available all day long, for the use of adults & Teen-Volunteers only. No Children under 13 are allowed, even with a parent. Lake access – only with adults. Kayak rental is available but not included in this camp. Lake is located outside of the Hilltop Campus. Gym is also located outside of the Hill Top Campus and shared with other Campuses
- Summer fair is canceled due to the possibility of heavy rain, but some single tables with goods will be seen here and there (library, dining, other common areas)
