

Teacher's Memo:

If you commute to provide your classes at the day of the class (not staying with us during the weekend): Please, stop by the Main Office to pick up your and your family bracelets. Please, wear it all the time – they are your pass to all activities and meals. To confirm your classes and the place they will take place, look at the map, first: https://www.jookender.org/files/JuneCamp2019/Camp_Map_June%202019.jpg

And then, at the Master Schedule:

<https://www.jookender.org/files/JuneCamp2019/MasterSchedule.pdf>

Notice the group age you'll be teaching – on the top of the master schedule

To find out participants and volunteer names in each age group you're teaching, refer to this document: https://www.jookender.org/files/JuneCamp2019/Bracelets_NOAGE_June2019camp.pdf

Group names/bracelet colors and participants in each group listed one in each cell, plus in a green cell you'll see the volunteers' names. Please, note, our Volunteers are High School Students. Some of them speak Russian, some – not. Some of them speak Hebrew, some – not. But all of them speak English. If you tell them to stay and help you, they will. Otherwise, they'll be waiting for you to finish your lesson somewhat nearby and pick their group, when you finish.

It's OK to finish your class earlier. Younger Kids won't probably stay focused for more than half an hour anyway. So, once you're done, the Teenagers will take care of the group until the next lesson.

Please unpack your car near the Office, and care your materials to class. Please, return the car to the parking lot, when you're done. If you need help unpacking, we will designate you a volunteer for that.

If you scheduled to conduct your lesson outside, but it's raining, find Sasha and discuss a possible option – we've got plenty – to have your lesson inside the building. Sasha's phone number 508-951-3944. If you can't find Sasha, then you may always use the Dining room – it's a large room and it's OK to conduct more than one class there.

You may come earlier than your classes begin and leave later than your classes end. While you're at our camp, meals and entertainment are included. Bring a Swimsuit and a Beach Towel! We'd want to you fall in love with the place and come back for more!

P.S. If you had a paid arrangement with us, please make sure we confirmed to receipt of your W-9 form. In doubts – fill it out again and sent to us at least 48 hours prior to the event, in order to get paid at the day of the event.
