Children groups: **Group 0** is entertained by Studio “Za and Ne”. They will be using the South room (next to the Dining Hall) for indoor activities and outside for the outdoor activities. Classes for this group are conducted in Russian and one of the parents should be present with the child all the time, unless agreed with Instructors otherwise. Instructors are not going to change diapers, go to bathroom, or dress or undress your child to the outside. **Groups A-D** will have Retreat-based instructors and all activities will be conducted in English.

Adults groups: **Group E and F** - Adults may choose the activities in either group and switch from one group to another, as they pleased. Their bracelet colors represent the time they stay at the camp (Green - full weekend, Grey – Friday Night only, Purple – Sat Night only)

All Groups meet their instructors in the Dining room for the first activity of the day, 5-10 min prior to the class beginning. It’s instructor’s responsibility to bring a student from one class to another, as per their schedule.
