Fire or Police Emergency: Call 911 and give the address at the top of the page

Defibrillators are located in the mess hall and in the infirmary.

All-Camp PA System: Announcements can be made and heard all over camp via the PA microphone located on the reception desk in the main office. Press the rectangular bar at the base of the microphone and hold it while speaking.

WiFi is available in many areas of camp. The network name is Main Office
The Password is: Avoda1927

Basic first aid supplies are available at the main office. Every group is advised that they are responsible for the group's health care.

Lighting: Camp Avoda is equipped with streetlights that go on automatically at dusk, and turn off at dawn.

The entire site has been sprayed and treated for mosquitoes and for ticks. We recommend that every person wear long pants and sleeves while doing activities in wooded areas and check for ticks daily.
