

Camp, September 7-9, 2018

**Food:** Diet restrictions – if you don’t see your stuff openly available, please inquire at the kitchen window. Perishable products are only available upon request (we assume, you all mentioned your food issues at the application form you filled out for us). Please, wash your hands at your unit or nearby public bathroom. There is no bathroom at the Dining Hall.

**Waterfront:** Opens 10 am – on Saturday, 9 am on Sunday. Unlimited use of private beach, boats, kayaks, boards, fishing poles, other equipment. Anytime, you don’t want to participate in our program – go, have fun at the beach!

**Teen Volunteers:** Are still/also kids. Please, be gentle with them, and bring any issue to Sasha (Jookender) or Roni (Camp Avoda).

**Kids under 5 y.o.:** Must be accompanied (watched by) a parent/guardian, especially if you know your kids won’t sit still. Teen Volunteers only help to escort kids from one class to another, and to help the teachers. Everything else – from running around the camp after your child, to a diaper change (and anything in-between) is solely a parent responsibility.
